

MATERIAL SAFETY DATA SHEET

SECTION 1.

Product Identity: **GRAFFITI GONE! – A**
Manufacturer: Multi-Seal Pacific Corp
1109 S Fremont Ave
Alhambra, CA 91803
Emergency Telephone: 800-535-5053
Information Telephone: 818-282-5659

SECTION 2. Component Information

Trade Secret Per 29 CFR 1910.1200

National Fire Protection Association (NFPA) Rating:
Health (2) Flammability (2) Reactivity (0) Special (-)
Hazardous Materials Identification System Rating
Health (2) Flammability (2) Reactivity (0) Special (-)

SECTION 3. Physical / Chemical Characteristics

Boiling Point: Deg F: 370 Sp Gr (water=1): 0.96
Vapor Pressure: 0.35 pK: 8.5
Evap. Rate: 0.05 Water Solubility: %100
Appearance/Odor: Yellowish clear liquid / indeterminate

SECTION 4. Fire & Explosive Hazard Data

Flash Point: Deg F: 160
Extinguishing Media: Use method suitable for surrounding fire.
Special Firefighting Procedures: Fire fighters should always wear self-contained breathing apparatus and protective clothing when treating any fire where chemicals may be present.
Unusual Fire and Explosion Hazards: Fire can produce toxic gas, acrid fumes/smoke. The volume depends on amount of product in the fire.

SECTION 5. Reactivity Data

Stability: Stable
Conditions to Avoid: Mixture with other chemical products.
Incompatibility (materials to avoid): Do not mix this product with other chemicals not specified in Multi-Seal instructions for product use.
Hazardous Decomposition Products/Byproducts: None Established.
Hazardous Polymerization: Will not occur.
Conditions to Avoid: Mixture with other chemical products.

SECTION 6. Health Hazard Data / First Aid Procedures

Exposure Limit in Air: Worst case scenario based on component data from Supplier MSDS.

OSHA(ppm)		ACGIH(ppm)	
TWA	STEL	TLV	STEL
100	150	100	150

Toxicity: Worst case scenario based on component data from Supplier MSDS.

Dermal LD 50: Rabbit, 8gm/kg

Oral LD 50: Rat, 3.6 gm/kg

Skin irritation: Rabbit, Moderate

Eye irritation: Rabbit, Mild

Inhalation Irritation: None established

Carcinogenicity: (As noted in component Supplier MSDS) NONE

First Aid Procedures:

Eyes: In case of contact, flush eyes with plenty of water. Lift upper/lower lids, rinse well. Get medical help if irritation develops or persists.

Skin: In case of contact, wash with soap and plenty of water. Get medical help if irritation develops or persists.

Inhalation: Remove from area of exposure. Get medical help if needed.

Ingestion: If not unconscious, drink 2 glasses of water. Get medical help if needed.

Note to Physician: Treat symptomatically. Detail component data is available as prescribed in 29 CFR 1910.1200

SECTION 7. Precautions for Safe Handling and Use

Steps to take if material is released or spilled...

Wear appropriate protective gear. Soak up liquid with any absorbent material at hand (dirt, sand, etc.). Sweep into appropriate container. (Product biodegradable 28 days.)

Waste disposal Method: Dispose of in accordance with Local, State, and Federal regulations.

Handling and Storage: Store in cool dry place. Wash hands thoroughly after handling. Do not rub eyes with soiled hands. Do not eat, drink, or smoke in work area.

SECTION 8: Control Measures & Worker Protection Information

Respiratory Protection: None normally required, NIOSH/MSHA approved respiratory apparatus should be used if working in a confined space.

Ventilation: Provide adequate ventilation at all times.

Protective Clothing: Work uniform, impervious gloves.

Eye Protection: Glasses with Side Shields

SECTION 9: Regulatory Status

US DOT: Not regulated in commercial unit quantity.

29 CFR 1910.1200 This product is considered to be non-hazardous in the work place.

40 CFR 302.4 (CERCLA) Release of product to environment not reportable to any agency.

40 CFR 370 (SARA Title 3) Not hazardous per 29 CFR 1910.1200 & thus not covered by SARA

40 CFR 372.30 Product chemicals below Sect. 313 concentrations.

RACA Information: Discard of this product as supplied does not meet RACA characteristic definition of ignitability, corrosion, or reactivity and components are not listed in like documents of other States.

SECTION 10: References

Certain components of this product are listed in CFR 29 & also in the Hazardous Substance List of the following states: California and New Jersey. Further, they may be listed in like documents of other States.

The above data are based on tests, experience, and other information which Multi-Seal believes reliable and are furnished for informational purposes only. However, some ingredients may have been obtained from third party manufacturers in the normal course of business. In such instances, Multi-Seal, in good faith relies on information supplied by those third parties. Since the conditions of use of the herein described product are outside our control, Multi-Seal disclaims any liability for damage or injury which results from the use of the above data or product to which it relates. Nothing contained herein shall constitute a guarantee, warranty (including warranty of merchantability) or representation by Multi Seal with respect to the data, the product described, or its use for any specific purpose, even if that purpose is known to Multi-Seal
